Application Pre-requisites

- Receive at least 3 sessions from a Registered Craniosacral Therapist (RCST ®).
- Attend an Introductory Seminar in Biodynamic Craniosacral Therapy or receive at least one session from the instructor or, if neither of these is possible, arrange for a phone interview.
- Practitioner status in a health-related field is recommended but not required.
- Having regular support from a personal therapist is highly recommended.

Training Commitments

- Attend all 10 modules; in case of emergency, we can arrange a way for you to make up what you have missed, but you are expected to attend all 10 modules. Please check the training dates and make sure you can attend all 10 modules, and put them on your calendar.
- Complete guided independent study or homework assigned between modules.
- Complete an independent project such as a research project or creative demonstration of learning.
- Complete 150 hours of practice sessions performed outside of class with non-fee paying clients.
- Receive at least 10 sessions from an RCST ® paid according to their fee.
- Pay in full for the entire training, according to the payment plan you choose. If you miss a module or withdraw from the training after it has started, you are required to pay the balance for the entire training, including any modules you do not attend.
